GOOD GRIEF! It's almost the month of July.

WANT TO BE A COUNCIL PERSON? Albany City Council is seeking nominations of qualified citizens or applications for the job. Submit either to City Clerk Patt George. When Mayor Richard Clark resigns, Council may select one of you. It is expected that Council will reorganize and select a new mayor before Dick leaves. That's a smart move because if Council can't agree within 30 days on a replacement, the Mayor selects the fifth councilperson. We thought vice mayors (Mike Pearson in this case) automatically succeed mayors who will not or choose not to complete the term, but it ain't necessarily so.

IF PEOPLE are going to be speaking at will from the audience in Council sessions, they should at least identify themselves. Haven't attended a meeting for a couple of months and was pretty difficult to write report when folks simply stood up and said their piece about the formality of stating name and address for the record. I'd be the last person to rock free speech, but it could be permitted within the framework of rules.

THE LITTLE LEAGUE situation seems to be settled now and Cathy (Kathy) Hanson has signed with the Pirates. Last week, we didn't have the name of the Pirates manager who had been fired because he wanted a girl to play. It's Jan Litz.

LARRY SALEK, master of ceremonies at the Lions Installation at His Lordships Saturday night, said he'd heard from Little League that Lions were going to merge with Soroptimists. **GLEANNED AT THE LIONS** dinner. Past President J. Henry Huse, who is blind, is a marvelous speaker. They say he has braille cards in his jacket. Both Jim Tamura and Dick Dempster now work for Transit. Jim is supposed to be said he used to take people the cleaners; now he takes them for a ride. Larry and Betty Salek have enjoyed a trip to Mexico. Don Chelmedos, Deputy District Governor, presented the special Lions club award, which has not been presented since 1968, to Al Drozda. The Bob Dennis and Carl MacWilliams received the awards at the same time. Lions club elections aren't the same with them.

MATHEW LEE, recent graduate of Albany High, is preparing for the finals of Alameda County Vocational Education Olympics. Ninety-four high school students will compete in 14 job categories on 1, 2, 3, 5 and 7 at Alameda County Fairgrounds.

MARTY WEBB helped arrange a giveaway of 2,000 carnations to customers of Thousand Oaks Merchants Friday and Saturday. Steve Porras of Berkeley Florist arranged for a skidload of carnations at bargain prices.

CITY CLERK PATT GEORGE had a run of unhappy events lately. Her daughter's fi-

NOTICE OF PUBLIC MEETING

The Citizens Advisory Committee on CHARTER REVIEW has adopted a schedule of regular, public meetings, as follows:

8:00 P.M. each Wednesday Evening in the Cornell School Cafeteria, 904 Talbot, Albany, California.

The next such regularly scheduled, public meeting after the date of this notice will be held on June 26, 1974.

The foregoing schedule was adopted by motion duly carried, at the initial meeting of the Committee.

Shakespeare Festival Planned For Summer

A Berkeley Summer Shakespeare Festival, featuring "A Midsummer Night's Dream," "As You Like It," and "The Tempest" will be presented in North Berkeley's John Hinkel Park every week-end through August 11.

A "ragtime" production of "As You Like It," set at the turn of the century, will open at Hinkel Park on Friday, June 28, and return Saturday evening. There will also be matinees on Saturday at 1:30 and Sunday at 2:00.

The following week-end, July 5-7, "A Midsummer Night's Dream" will play Friday at 8:15 and Saturday 2 p.m. "As You

Like It" will play at 8:15 Saturday evening and again 2 p.m. Sunday.

"The Tempest" opens July 12, playing all four evening and matinee performances through July 14. The three plays will then be performed in repertory each week-end through August 11. On August 2 and 3 only, "The Tempest" will move to the Live Oak Park Theatre, Shattuck and Berryman, Berkeley. Complete schedules for the Summer Shakespeare Festival are available by calling 548-7800.

John Hinkel Park's wooded outdoor amphitheater is on Southampton Road just off the Arlington, and may be reached on the No. 7 Arlington bus. (Live Oak Park is half-a-block from the "F" bus stop on Henry and Berryman Streets).

The Company asks adults for a \$2 donation per play, or \$5 for a subscription to all three. Children and senior citizens are asked for \$1 each play, or \$2.50 for all three. For information about advance and group-discount tickets, please call 548-7800.

Despite its name, the Emeryville Shakespeare Company actually draws most of its membership from Berkeley and Oakland. Albany and the Thousand Oaks neighborhood are both represented in the group. The company's title derives from a loft in Emeryville where the group once held rehearsals.

New Displays At Lawrence Hall

The Lawrence Hall of Science is currently holding displays and workshops in several different scientific fields. Some of the current exhibits include:

Microscopic Photo Display: A collection of photos taken by various U.C. Berkeley departments which display a wide variety of colors and patterns which can only be detected through the light and electron microscope.

Computer Terminals: Four computer terminals open to the public on which you can compose music, play strategic games or "talk" to Eliza.

Planetarium: The Holt Planetarium offers participatory shows each Saturday and Sunday at 11:30 a.m., 1, 2, 3, and 4 p.m.

Call 642-5132 for subjects. Admission is 50 cents.

Cliff Swallows: The annual migration of Cliff Swallows to the Lawrence Hall of Science for nesting has begun — the swallows are here. Come see this live exhibition.

Puzzles for the Visually Handicapped: Several of the math games have been converted for the blind and partially sighted by replacing color differences with textures. Instructions in Braille are also provided.

Science Discovery Workshops: For children ages 8-12. Lawrence Hall holds science workshops every Saturday and Sunday at 11 a.m., 1:30 and 3:30 p.m. Call 642-5132 for each week's subjects.

For further information on any of the programs call 642-5132.

New Manager at Security Savings

Richard P. Janese has been elected an assistant vice-president of Security Savings and Loan Association, and has been appointed manager of the Albany branch office at 1377 Solano Avenue.

Janese formerly was with the air defense command of the United States Army. He retired with the rank of lieutenant colonel. He holds a degree in business administration from the University of Nebraska.

He and his family currently live in the West Portal area of San Francisco, but plan to relocate soon in the Albany area.

Affirmative Action Explains Its Goals

The newly appointed Affirmative Action Committee has accepted as its goal the development of a practical program to achieve equal opportunity in employment within the city government.

The committee is seeking cooperation from all citizens to help create a climate where all Albany residents can learn to work and play in harmony without any discrimination based on race, color, religion, national origin, sex or age.

The members of the committee are: Etta Saunders, Chairperson; Shirley Parr, secretary; Joyce Jackson, Fern Luoma and Catherine Webb. The alternates are Clyde Shumway, Jerry Corniola, Moses Saunders, Mary Culley and Beryl Cummings.

The next meeting of the committee will be held in the conference room behind the Council Chambers at 8 p.m. on Wednesday, June 26.

As with all city committees the meetings are open and visitors are welcome.

Albany Adult School Now In Session

The 6-week Summer Quarter of the Albany Adult School started Monday, June 24. Nearly 100 courses are offered leading to such goals as job improvement, a high school diploma, and self-enrichment.

A wide assortment of day and evening classes has been scheduled in the general subject areas of: business, homemaking, physical conditioning, parent education, foreign languages, fine arts and crafts. Adults with specialized interests might prefer enrolling in such courses as Furniture Refinishing, Aviation, Rapid Reading, Film Making, Tole Painting, Sculpturing, Gourmet Foods, Automotive Fundamentals, Guitar, Woodcarving, Investments, Graphic Arts, Photography, Quiltmaking, or Geology.

Most evening classes will meet on the campus of Albany High School, 603 Key Route Boulevard. A single tuition of \$4.50 covers the costs for one or more courses. Those wishing further information should call 526-6441. Summer Quarter class schedules and course summaries are available upon request.

Traffic & Safety Elects Officers

At the regular June meeting of the Traffic and Safety Commission John D. Duncan, of Ordway Streets, was re-elected as President of the Commission. Mr. Jack Dempster takes over as Vice President with Mrs. Edith Sheriff assuming the duties of Secretary.

"Being charged with the safety of the citizens of Albany we hope the people will continue to bring suggestions and complaints to both the Commission and individual commissioners," said President Duncan. "We are already receiving suggestions and requests from the new Councilmen. The Commission meets regularly on the third Thursday of the month at 7:30 p.m. in the Conference Room at city hall."

Other Commissioners are Clark Dennett and Jack Storrs. Ex-officio members are Andy Anderson, representing the City Administrator, and Chief of Police James Simmons.

City Council

Financial Woes of Cable TV Aired

During a lengthy public hearing Monday night, Albany City Council heard of the difficulties of a financially ailing cable TV corporation, recommendations from City Attorney Lawrence D. Saler and Administrative Officer James B. Turner and directed an ordinance be prepared to modify the franchise.

Otto A. Ohland, vice president of Century Communications Corporation, spoke on behalf of Century Cable of Northern California, which purchased the Albany franchise last September. He said the company has invested about \$1,300,000. Gross revenues for 1973 were about \$95,500 and estimated at \$100,875 for 1974. Net loss for 1973 was about \$112,000 and estimated at \$146,500 in 1974.

In addition to property taxes and payments to Federal Communications Commission, payments to the city amount to \$25,000 per year.

He said the difficulties were caused by construction costs far exceeding the company's projections; low subscriber ratio (less than 25 per cent vs. a projection of 50 per cent); high operating cost and cost of materials and equipment; unavailability of film and sports programs to offer as inducement to subscribers, and the broadcasting site at Mt. Sutro, which increased the quality of TV in Albany without need for cable.

Ohland estimated it would cost \$1,500,000 to go underground as called for in the original franchise. There are only 1,500 subscribers in Albany.

Saler and Turner recommended eliminating the penalty of \$25 per day for failure to comply with undergrounding, but \$5,000 a year would continue as a penalty; authorization to increase rates in several instances from the present limit of \$4.50 per month to \$6.95 per month, and retain the franchise amount of 10 per cent until 1977, when FCC will limit franchise payments to three per cent.

The \$5,000 penalty, it was explained, is \$1,000 per year for each of five zones for not undergrounding utilities.

Cable TV will go underground when other utilities are undergrounded in Albany, but cost of this has been determined at \$30 per foot or about \$1,500 per home.

Following a long discussion of the quality of cable TV, costs in other areas, the possibility of

the City taking over the system and other ramifications, Councilman Patrick Griffin asked Ohland if the company could go bankrupt without changes in the contract. Ohland said it could.

Dario Meniketti said the people affected by cable TV should have a voice in the matter. Mayor Richard Clark said they

In this connection, it was announced that the public is invited to:

Among topics to be discussed are limitations of number of terms served on Council and School Board; amounts and manner of compensation and reimbursement for expenses; making some offices now elective into appointive posts, and "eliminating dead wood" in the Charter. Some items hopefully will be ready for the November ballot. Louis Bell, acting chairman.

have the option of continuing or discontinuing with it; it is not a necessity.

Before adoption, the ordinance will be read at Council and held another week before final action.

A last-minute suggestion from Turner and Saler involved setting aside money levied for non-undergrounding as a credit to the city in case Cable TV goes bankrupt and the city has to purchase it. They will draw the ordinance and present it to Council for review.

In other matters Monday, Council:

APPROVED permanent rank of captain for Horace Koepeke in the Fire department; proclaiming the week of Sept. 1-7 as "Union Label Week;" appointment by Councilman Griffin of Darlene Shumway to the Library Board and naming her as his alternate to Alameda County

There are four additional quilts from Ms. Horton's Berkeley, Piedmont and Alameda classes also on view.

Quiltmaking is one of 100 classes offered at the Albany Adult Summer School—June 24 to August 3. Ms. Morton's class will meet at A.H.S. on Monday evenings from 6:45 to 9:45.

Albany Architect Starts Port Study

Leon Rimov & Associates, architects and city planners in Albany, have been selected by the Western Regional Office of the Maritime Administration to prepare an in-depth inventory of port and wharf facilities in the states of California, Oregon, Alaska, and Hawaii. Approximately 500 facilities will be involved. It will be the first study of its kind to be taken within the last 15 years. The firm was one of a number of national firms with expertise in port planning and marine terminal operations experience. Over the next ten years, it is expected that several billions of dollars will be spent in updating port and terminal facilities to meet the demands of international container cargo movements. This is the first time a West Coast firm has been selected for a study of this type. Several months will be involved for a complete assessment and inventory of facilities.

El Cerrito Teacher To Retire

Bernice Hogarth Steed, longtime resident of Albany is announcing her retirement from teaching school. She has taught 36 years, the last 23 years being at Fairmont School in El Cerrito.

Her own children, Arlyn and Joy, graduated from Albany High. Friends in Albany and El Cerrito will remember her activities in both Jobs' Daughters and Thousand Oaks Baptist Church.
